Holiday Songs 2021 – A Round-Up Review

With the Christmas/holiday period looming, seasonal songs are everywhere on the radio at the moment. We've all heard the usual suspects but I wanted to check out some holiday songs from some smaller artists to listen to at this time of year. The songs below are all holiday songs from independent artists and a playlist can also be found below.

Anita Eccleston – *Long Nights*.

Long Nights is a new song from **Anita Eccleston**, a musician and singer-songwriter currently based in Canada. It's a jazzy song and reminded me a lot of the classic Christmas songs made in the 40s/50s which are still popular today. The track has a rather nostalgic feel to it, giving it a warm, family vibe and the trumpets that Anita plays on the bridge are lovely. It's great to hear something a little different from the norm and Anita also has a lovely singing voice.
